THE AFRICAN PACKAGE

The African Package is a comprehensive ACCA AFM course exclusively for students based in Africa.

The course covers all aspects of what is needed to ensure students are well prepared for the forthcoming ACCA AFM exam – tuition, revision and mock exam.

The course comes with WhatsApp support solely provided by Sunil Bhandari to clear doubts and queries ASAP.

Enrolment commences as soon as you enrol at:

The African Package

Price £100 (converted into your local currency)

Course Content:

Tuition Approach	A dedicated video prepared by Sunil to explaining the approach to follow to ensure the tuition phase is covered in an efficient and effective manner.
New Tuition HD Videos	44 High quality interactive tuition videos, totalling 33 hours, presented by Sunil where the entire ACCA AFM syllabus is lectured on a topic-by-topic basis. Each video contains quizzes to check understanding while progressing through the tuition phase.
Completed Tuition Notes	Completed tuition notes (PDF) accompany each tuition video and include exam standard illustrations/selection of past exam questions.
Revision Approach	A dedicated video prepared by Sunil to explaining the approach to follow to ensure the revision phase is covered in an efficient and effective manner.
Revision Support Material	1) Key Point Revision Notes 2) Tips When Attempting Exam Timed ACCA AFM Questions 3) ACCA AFM 'New iAssess' Spreadsheet Format & Functions
African Package Exam Kit	45 past AFM exam questions as set by the current ACCA AFM examiners presented in subject order. Each question has a PDF of the question, and a video debrief of an answer recorded within exam time by Sunil.
Mock Exam Approach	A dedicated video prepared by Sunil to explaining the approach to follow to ensure you produce a high-quality mock exam performance.
Mock Exam	A specifically created mock exam to be attempted in exam time. Your script will be marked to current ACCA AFM standards and full feedback will be provided.
Post mock exams guidance	IF you work and submit a Mock Exam and submit it for marking then you will receive the following for that exam: Questions, answers (including spreadsheets), highlighted professional skills, and a video technical review giving an exam commentary on each exam covering both the technical, exam technique, and professional skills issues.
Tutor Support	**Sunil will provide full tutorial support via WhatsApp (text and voice).**

Mock Exam Dates

	December 2025	March 2026
Exam released Exam submit date Returned by	21 November 24 November 28 November	TBA
